STATE OF ARIZONA,

JURY QUESTIONS

(Plaintiff)

Case No. : P1300CR20081339

vs

Trial Date: JUNE 8, 2010

STEVEN CARROLL DEMOCKER
(Defendant)

The attached sheets are the original jury questions asked by members of the Jury regarding the above referenced trial.

1. Questions to the Court: (3 pages)
2. Question to the Court for the witness: Ruth Kennedy (5 pages)
3. Question to the Court for the witness: Jacob Janusek (6 pages)

To The Honorable Judge Thomas B. Lindberg:

I have the following concerns for the integrity of the body of the jurors.

1. Is it ok for us to bring cookies, donuts and treats to share among all of us?
 2. Is it ok for us to get each other's names, phone numbers, and addresses for the intention of carpooling?
 3. Due to the longevity of the trial and for us to remain as an impartial jury, is there a prohibition for jurors to become too personal with each other, i.e. lunches, etc.?
 - In my opinion, it appears that we are all adhering to the courts admonitions in the juror room.
 4. My only concern is that a couple of jurors consistently make negative comments about the possible length of this trial, especially when all the jurors were informed about the length of the trial being 2-3 months. I feel that this is causing a distraction with me and maybe other jurors, in the fact that they are inadvertently influencing us to possibly rush a decision towards the end of the trial. This distraction is taking place in the courtroom while the judge and attorneys are meeting in the judge's chambers.
